

Backyard Water Slide

Peppertown waterslides are hand made from fibreglass and designed specifically for the Australian pool environment.

\$850
* Slide only.

Includes slide, water jets and leg. Suitable for 1500mm deck height. NOTE stand/support not included

Available Waterslide Colours

Turquoise

Pool Jade

Meridian Blue

Artic Blue

All kits and slides include standard attachments to hook up to the backyard hose, water tank or pool pump. This ensures a consistent flow of water from the slide's built-in water jets.

* Our deck kits (available separately) are all pre-cut & pre-drilled and ready to assemble.
